

Fire Safety Awareness/Fire Marshal (1/2 day)

Course Overview:

The law requires all employed personnel to have adequate fire safety training. This course has been designed to give personnel the necessary information. It will build your confidence in becoming a fire marshal and will provide you with the skills to prevent fire and deal with an evacuation effectively.

Course Detail:

- Fire legislation
- Chemistry of a fire
- Classes of fire
- Common causes of fire
- Hazard identification/risk assessment
- Managing evacuation with people with special needs
- Evacuation procedure
- Firefighting equipment
- Role of a fire marshal

Course Assessment:

There are no assessments, however there is a short test at the end to check understanding.

Course Progression:

After this course you may wish to progress to a Health and Safety Level 2 course.

Duration:

This course runs for 3 hours.

Cost: £75 per delegate, corporate bundle rates available.
